RE: *Unilateral Administrative Order pursuant to CERCLA Section 106(a) for the Lockheed West Seattle Site*

Dear Ms. Philson:

Lockheed Martin Corporation ("Lockheed Martin") is in receipt of the Unilateral Administrative Order ("UAO") for the performance of the remedial design and remedial action at the Lockheed West Seattle Superfund Site in Seattle, King County, Washington ("the Site"). The U.S. Environmental Protection Agency ("EPA") issued this UAO to Lockheed Martin pursuant to Section 106 of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. §9606.

By this letter, Lockheed Martin is requesting a conference with EPA to discuss this UAO. Lockheed Martin would like the opportunity to discuss the UAO's applicability, the factual findings and determinations on which it is based, and any other relevant and material issues related to the Order. Lockheed Martin's representatives are willing to travel to Seattle for this conference. We would like to propose the following dates: April 6th, 7th or 8th or April 13th, 14th or 15th.

Please feel free to contact me by either phone or email.

Sincerely,
